**Detailed Action**

***Reasons for Allowance***

1. The following is an examiner's statement of reasons for allowance: the prior art of record does not show or teach the claimed method of performing back-to-back read and write operations to a same DRAM bank, the method comprising articulating between reading on a first bank during successive first bank read cycles and writing to a second bank during successive second bank write cycles, cycling between reading data on the second bank during successive second bank read cycles and writing data to the first bank during successive first bank write cycles, and performing refresh on the first and second bank wherein the first bank write cycles lag first bank read cycles and second bank write cycles lag second bank read cycles.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
